"Having control over pricing has been my biggest win."

What makes you stand out from the competition?

What are some personal goals for your business?

"To always prepare accurate tax returns on a timely basis and at a fair price—with a smile! Possibly have remote location days."

Favorite quote or fun fact: "I used to own my own baking business—it's math, too! Cooking is an art—baking is a science! :) '...act justly, love mercy, walk humbly with your God Micah 6:8'"
